## CODE OF CONDUCT.

### For all Members.

#### 1. Objective

The FGTCWA (Inc.) code of conduct applies to all member and sets out the standards within which Members, including their family members, friends or acquaintances are expected to act when attending any FGTCWA (Inc.) event or meeting and any other associated club event or meeting. In summary members are expected to act in a manner that will not bring Club or the GT Movement as a whole into disrepute. Unacceptable behaviour will not be tolerated during any Club meeting, Club event, or an associated event or meeting. The FGTCWA (Inc.) intends that the spirit of the Code of Conduct is adopted as well as the letter of the standards within. The FGTCWA (Inc.) expects member Clubs to insist on a high standard of behaviour at all times which is essential to maintaining the trust and confidence of both Club Members and the General Public.

The Code of Conduct is about developing a consistent understanding of desired behaviours, towards each other and any persons that we as a Club come into contact with who may not necessarily be Club Members.

Not every circumstance is covered in this document, however it provides the guide for a commonsense approach.
